What Parents Can Do To Help Their Children in A Christian School

By Dr. Paul A. Kienel, Executive Director
Association of Christian Schools International

Help your children to understand that school is a disciplined learning situation. Very little learning occurs at school if students are not trained by their parents to “obey those in authority”. Including their teachers and administrators. The most common threat to the academic quality of a school is a decline in discipline. When discipline goes down, learning goes down. This principle applies to schools and it also applies to individual students. Youngsters in school reflect their home training. Students whose parents firmly discipline them in Christian love at home respond well to the normal environment of the Christian school classroom.

Show normal parental affection to your children. You may ask, “What does parental expression of love have to do with school?” It is difficult for teachers to explain the love of God if students have not experienced love at home. Too many youngsters go to school lacking the security of parental love.

Train your children to be accountable for their actions. Teach them Biblical grace of apologizing and seeking forgiveness if they harm or offend another individual. If they lie or steal, require them to make full restitution with God and those against whom they have sinned.

Train your children to be accountable for their words. Children can be extremely cruel to other students by their words. If left untrained, they will develop an argumentative, back – talk manner of speaking with teachers, parents, and others. They are also quite capable of malicious talk and gossip. It is a negative pattern that must be broken early or it will plague them the rest of their lives. In a positive, constructive way, teachers and parents must impress upon young people that words are powerful and that they are accountable for them.

Train your children to be accountable for their time. It is not an overstatement to say that many students are “time wasters.” You will help your children in school and in life, if you will train them to use their time wisely. Talk to your children about setting aside specific times each day for homework and household chores. Also, train them by example and by instruction to be on time for school, church, and other time – oriented obligations. Your children will be handicapped for the rest of their lives if they have not learned early in life to use time in a responsible way.

Show an interest in what your children are learning in school. Discuss with your children the subject material they are studying in the classroom. Most of what your children are learning in school is interesting. It will enhance their interest even more if you, as parents are intellectually involved with their education.

Don’t roast the principal or teachers.

The ministry of the school is carried out by mortal human individuals who are not immune from making mistakes. Consequently, on occasion you may disagree with the administration or teacher on some aspect of the school. Don’t discuss your points of disagreement with your children. It will destroy the school’s ability to be effective with your youngsters.

Support the school's rules and regulations. School rules are necessary and must be generally agreed to by parents, students, and school personnel. As a parent, you may not also agree with every comma and exclamation point of the school's rules and regulations, but you must not show less than full support of them to your children. Students are much more prone to violate school rules if they know their parents do not agree with the rules. Students must see the school and the home united.

Be a model of what you want your children to become. Children are parent watchers. They are modeling their lives after yours. If you are a positive, joyful Christian individual whose lifestyle is in harmony with Biblical principles, your children will respond to the Bible – centered training of the Christian school. If, on the other hand, your lifestyle is contrary to Bible – centered living, your children may be confused and even frustrated by the conflicting role models they see at home and at school. If you are not a born - again Christian, I urge you to become one – for your sake and for the sake of your children. Life is so much better when Jesus Christ is the central figure in your family.

Your children will respond to the structural educational environment of a Christian school if you provide them with a Christ – centered home where they are loved, inspired, and disciplined.

Welcome

The 2017 – 2018 school year will mark the twenty-third year BCS will offer Christian education to Jeff Davis Parish and beyond. We are excited about what God is doing in our school and what He is going to do this school year.

For the first time in our history BCS will be on a combined five and four - day school schedule. We believe this new schedule will be a positive experience for our students, parents, and faculty. We begin school August 11, 2017 on a five - day schedule. The five - day schedule will continue until September 29, 2017. The four - day schedule will begin October 2, 2017 and last until April 26, 2018. The school year will conclude on a five - day schedule from April 30, 2018 until May 24, 2018. There is no change in the Pre K 3 & 4 schedule. Pre K 3 and 4 classes will continue to attend class Monday through Friday from 8:00 to 12:00 throughout the year.

This will be a year of change and adjustment for all of us. But we believe this change will improve our school. During the four – day week schedule, Enrichment and Remedial classes will be offered on Fridays. **Any student** from Kindergarten through the twelfth grade is welcome to participate in the Enrichment and Remedial classes offered on Friday. Students from Kindergarten to the twelfth grade with a 69 average or below in any subject **will be required** to attend Friday remedial class until the grade is improved to a 70 average or higher. The Friday schedule is from 8:00 – 12:00.

Lunch is from 12:00 to 12:30 with students bringing their lunch from home. Elementary teachers will conduct the remedial and enrichment classes for Kindergarten – 6th students. High School teachers will conduct the remedial and enrichment classes for 7th – 12th students. Aftercare will be available Friday from 12:30 – 5:30 for all students. There is no fee on Friday for Aftercare for Kindergarten through twelfth grade students from 12:30 to 3:00. An Aftercare fee will be charged for students staying from 3:00 to 5:30 on Friday. The BCS bus will transport Elton and Jennings students who are attending Friday classes.

The Remedial classes will address academic deficiencies and provide students the opportunity to earn extra credit and improve their academic skills. Elementary enrichment classes will focus on education, creative opportunities, service projects, etc. High School enrichment classes will focus on spirituality, how to study, ACT prep, Terra Nova prep, finances, social skills, life skills, resume preparation, interview preparation, etc.

BCS Handbook

The Bethel Christian School Parent / Student Handbook provides students, parents and staff with the most frequently asked questions about Bethel Christian School's policies, procedures and philosophy. Compliance to these policies and procedures by students, parents, and BCS staff enable the school to operate in a spiritual and orderly manner. Problems and difficult issues are addressed in a spiritual and equitable manner when the staff and administration of Bethel Christian School consistently implement these policies and procedures.

Bethel Christian School is committed to a high spiritual and ethical standard for the school. BCS is committed to offering our students a quality learning experience in a spiritual and safe environment in order to prepare our students for life. Our purpose as a school is to partner with the home in equipping students academically and spiritually for life by prioritizing: leadership, self – discipline, personal responsibility, integrity, and good citizenship.

The administration, students, faculty, and staff reflect these ideas and standards in their behavior, appearance, and attitude.

Our priority as a school is to equip students with the skills necessary to function effectively as students today and as adults tomorrow. Our school is the most effective in achieving this objective when parents, teachers, administration partner together to achieve this objective.

BCS believes “all things should be done decently, and in order.” We believe that our students should be taught to accept a God-given responsibility to “walk honorably before all men.” At BCS, discipline is maintained by being firm, consistent, fair, and tempered with love. Our faculty maintains standards of behavior in the classroom through kindness, love, and genuine regard for their students. However, when disciplinary action becomes necessary, it is firmly carried out, tempered by good judgment and understanding. “Obey your leaders and submit to authority. They keep watch over you as men who must give an account. Obey them so that their work will be joyful, not a burden, for that would be of no advantage to you.” **Hebrews 13:17**

Actions that contain evidence of disrespect, indifference, dishonesty, abuse of permission, and other disruptive acts shall be handled by the teacher or administration in a way that is determined by the individual teacher’s approved discipline plan. Each teacher will provide information to parents about each year. Situations of non-compliance that are chronic, flagrant or otherwise worthy of special handling will be referred to the Principal. The school reserves the right to have full discretion in the discipline of any student, and the parent may be called to help administer any discipline as deemed necessary. Students who have been expelled from another educational institution will at least be considered pending reason for expulsion. An interview with BCS Administration and review of grades, absences/tardiness, and behavior records will be completed prior to making a final decision. If allowed to attend, BCS reserves the right to expel any student at any time that does not adhere to school policies and procedures.

Bethel Christian School

Bethel Christian School began in 1993 because of a vision in the heart of several members of Bethel Baptist Church who believed the Lord wanted to plant a Christian school in Jeff Davis Parish. The school began in the fall of 1994 with thirteen students and two teachers.

Bethel Christian School is a Christian educational institution, which, in addition to the regular course offerings, unashamedly teaches the Biblical concepts of discipline, respect for those in authority, obedience to the law, and love for flag and country. The teachers at BCS realize their solemn responsibility before God in molding the life and character of each student in order to give them a good foundation for their future. Bethel Christian School does not discriminate on the basis of race, color, nationality or ethnic origin in administering all school, educational, and athletic policies. Bethel Christian School is a religious institution providing a quality learning experience in a spiritual environment. BCS works with parents to teach students how to live Christ – centered lives. On those occasions the lifestyle or atmosphere within a particular home is in opposition to the Biblical lifestyle BCS teaches, BCS reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue the current enrollment of a student. This includes but is not limited to; living in, condoning, promoting, or supporting sexual immorality, the practice of a homosexual lifestyle or an alternative gender identity or otherwise having the inability to support the moral principles espoused by Bethel Christian School. (See Leviticus 20:13a, Matthew 19:4-6, and Romans 1:27).

(1 Corinthians 15:3, 1 Peter 2:21-24, and John 3:16)

- Each individual is the creation of God and, therefore, the property of God (Psalm 119:73, Colossians 1:16, and Hebrews 2:10).

- Christian models of character should be established for the student body of BCS to emulate (1 Timothy 4:12, Titus 2:2-5, and Proverbs 23:26).

Attendance

Attendance is directly linked to achievement. Excessive absences will inhibit the child's progress and may be grounds for failure/retention. Louisiana state law mandates school attendance. Routine doctor or dental appointments should be scheduled after school hours when possible. **A note must be sent to the office upon the student's return to school in order for a student to take make-up tests or quizzes.**

Excused absences are: signed doctor's excuse; a court order; a funeral of an immediate family member per approval of administration; a dire emergency; or an absence due to a BCS educational function. Notes from a parent to document illness will constitute an **unexcused absence**. In the event of an absence due to special circumstances other than listed above, written prior approval must be obtained by BCS administration on a case-by-case basis.

The Louisiana Child Attendance law is as follows:

*In order to be eligible to receive grades, high school students shall be in attendance a minimum of 26,400 instructional minutes per course each semester. **In order for High school students to receive credits, their absences may not exceed 7 instructional days per course each semester.***

*Elementary students shall be in attendance a minimum of 52,800 instructional minutes a school year. **In order for Elementary students to be considered for promotion, they may not miss more than 16 days in a school year.***

Failure to abide by this school law may cause your child to be retained or to lose high school credits needed for graduation. Attendance committee meetings will be scheduled to determine promotion or credit for non-compliance of this state attendance law.

Tardy Students

It is important that students report to school on time so that classes are not interrupted and teachers can attend to administrative details promptly, and then begin instruction on time.

If a student reports to school after 10:00 A.M., the student is considered absent for a half day. This will cause this student to be ineligible for Perfect Attendance.

If a student leaves school before 2:00 P.M., the student is considered absent for a half day.

If a student leaves school after 2:00 P.M., but before dismissal time, that is considered an "early out". Students are allowed only 3 early outs per semester. After 3, the early out will be considered a half - day absence.

If a student receives five (5) unexcused tardies in a 9-week grading period, he or she will receive a **one-day suspension**. The suspension will be served the next day after the fifth tardy occurs. (See Suspension-Out of School Section) Additionally, five (5) tardies in one 9-week grading period will make a student ineligible for perfect attendance.

Tardies will not be counted the first week of school and the first week of the four-day school week.

Check out Policy

A child may not be taken out of school during school hours without being checked out through the school office. This includes Pre-K students. Other than a parent, only the adults listed on the child's Emergency Information Sheet in the office will be allowed to check the child out of school during school hours. The school regards the safety of your child as an important responsibility and asks for your cooperation in the matter.

Dismissal Procedures

Students are dismissed and loaded into cars between the elementary and high school buildings at the designated dismissal times. Students are supervised from the dismissal bell until 3:00 (on five day weeks) and 3:45 (on four day weeks), and then they are taken into the Aftercare program.

Students may not go home in a manner that differs from the way the parent has designated without a written note to the teacher and provided to the office. This is for the safety of the students.

Bus

Every child that is placed on a list to ride the bus must do so unless the parent notifies the office prior to 2:30 P.M.

It is the parents' responsibility to have the students at the bus stop on time each morning. The bus will not be able to wait for late arrivals. In addition parents must be at the bus stop to pick up their children at the appointed time.

Children must adhere to rules of the bus. The bus times and locations of pick up and drop off will be announced at Parent Orientation at the beginning of each year.

Homework Policy

Homework is an integral part of the school program, and each grade level has its own homework policy as outlined by the ABeka curriculum requirements for the grade. Homework is used to aid the student in advancing his studies, reinforcement of concepts learned each day, and as an informative tool for parents. Each student is required to complete his or her homework assignments on time, and the teacher may grade the homework. Each teacher will provide the homework guidelines and policy to the parent during the Parent Orientation nights in August each year. Homework may be assigned on Wednesdays. **No Homework of any kind will be printed in the school office.**

Homework:

- is used for drill: We believe that most students require solid drilling to master material essential to their educational practice.
- is used for practice: Following classroom explanation, illustration, and drill on new concepts, homework is given so that the material will be mastered and assimilated.
- is used for remediation: As instruction progresses, various points in a student's grasp of a subject become evident. Homework following instruction is given to overcome such difficulties.

Parents requesting work when a child is going to be absent must be requested by 9:00 A.M. and picked up after 2:00 P.M., or the following day. This allows time for the teacher to gather the work and materials and will not cause an interruption of instructional time.

Health

We encourage you to keep your child at home if he or she complains of a sore throat, chills, signs of the flu, or has had a fever within a 24 hour period.

If lice are detected on any child, he or she will be sent home. The student will be checked upon return to make sure that the child is completely cleared of lice. The students that have been in contact with that child will be checked for lice as well.

Louisiana state laws require immunizations. Your child must have the required immunizations according to his age; proof of this is kept on file in the school office, and your child may be removed from school for non-compliance of this state law.

Parents that choose to not immunize their child must provide the school with a statement stating that their child will not be immunized.

Medicine

Only prescription medications are allowed at school. If a child must take a required dose of any doctor-prescribed medication during the school day, this prescription medication must be presented to the office, and only the parent or guardian may administer the medication to the student. We do not have a school nurse on staff. Teachers or any other staff member are not allowed to dispense medication of any kind to any student at any time. No child should have medication of any kind on his or her person at any time.

If a child requires prescription medication during the school day, the parent must adhere to the following:

- A medical release form must be signed by the parent and maintained in the student's office files at school.
- For Epi pens or Asthma inhalers, the parent or guardian must obtain a written order for each medication to be administered at school. This must be done each year, and kept current.
- No corrections or alterations will be accepted on the signed copy of the doctor's orders.

- The parent or guardian must come to the school to administer the medication as it cannot be dispensed by a BCS employee. (Exceptions are made for Epi pens and Asthma inhalers).
- The medication must be in the original container from the pharmacy with the proper labeling.

Immunization Policy

BCS follows the Louisiana state law for required immunizations. You will be required to submit proof of immunizations upon registering your child at BCS, and at required intervals for students already enrolled. The policy is as follows:

LOUISIANA IMMUNIZATION REQUIREMENTS FOR STUDENTS IN ACCORDANCE TO R.S. 17:170

Middle School Requirement:

Beginning with the 2009-2010 school year and continuing thereafter, a student shall provide satisfactory evidence of current immunization against meningococcal disease, and any other age appropriate vaccines, as a condition of entry into the sixth grade. Further, any student who has attained the age of eleven years or who is entering grade other than grade six shall provide satisfactory evidence of current immunizations against meningococcal disease and any other age appropriate vaccines as a condition of entry into that grade.

At the time of registration, students must show proof of immunization of the following vaccines: Tetanus Diphtheria Acellular Pertussis vaccine (TdaP); two (2) doses of Varicella vaccine; two (2) Measles, Mumps, Rubella (MMR) vaccines; three (3) Hepatitis B (HBV) vaccines; and one (1) Meningococcal Vaccine (MCV4).

Kindergarten/First Time Enterers:

Beginning in school year 2009-2010, two (2) doses of Varicella vaccine shall be required in Louisiana schools for entry into kindergarten or first time enterers into school. In addition, prior to school entry, these students must have documented proof of immunizations for: two (2) doses of Measles, Mumps, Rubella (MMR) vaccine; three (3) doses of Hepatitis B (HBV) vaccine; and booster doses of Diphtheria Tetanus Acellular Pertussis (DTaP) and Poliovirus (Polio) vaccines (up-to-date for age), he/she must present a record indicating the student is in the process of receiving vaccines, and follow-up must be provided for compliance with the above requirements.

Pre-Kindergarten

Beginning school year 2009-2010, two (2) doses of Varicella vaccine will be required in Louisiana schools for entry into Pre-K, Kindergarten, Daycare, and Head Start programs for children aged 4 years and older. If a second dose of Varicella vaccine has been received at least 30 days after the first dose, no additional doses are required. This is in addition to the regular age appropriate vaccines required depending on the child's age.

Prior to entry, these students must have documented proof of immunizations for: two (2) doses of Measles-Mumps-Rubella vaccine; three (3) doses of Hepatitis B vaccine; and booster doses of DTaP and Polio vaccines administered on or after their 4th birthday and prior to school entry.

All children aged less than 4 years of age enrolled in Pre-K, Daycare, Head Start, etc. should be vaccinated against and must show proof of immunizations for: Diphtheria Tetanus Acellular Pertussis vaccine (DTaP); Inactivated Poliovirus vaccine (IPV); Haemophilus Influenza Type B

vaccine (Hib); Hepatitis B vaccine (HBV); Pneumococcal Conjugate Vaccine (PCV – for children less than 24 months of age). If a child is less than 24 months of age and has received 4 doses of PCV-7 he/she is to get a single dose of PCV-13 for Daycare and Head Start; and one (1) dose of Varicella vaccine. If the child is not complete or up-to-date for age, he/she must present a record indicating that the child is in progress of receiving vaccines, and follow-up must be provided for compliance with the above requirements.

Pesticide Hypersensitivity

Pesticides shall be applied for general pest control inside school buildings or restricted use pesticides applied to buildings or grounds. This will be done only during periods when students are not expected to be present for normal academic instruction or organized extracurricular activities for at least eight hours after the application. Therefore, we are asking that every parent submit a written statement to the school if their child is hypersensitive to pesticides accompanied by written verification from a licensed physician. This information will be kept on file in the school office.

Vehicles

Students may drive a vehicle to school as long as the following rules are followed:

1. Drivers must be able to produce a current and valid license to the administration.
2. Drivers will observe and follow a 15 MPH speed limit while on campus.
3. Careless operation such as speeding or spinning the tires is not allowed.
4. Vehicles must be parked in the east parking lot and may not be driven again until dismissal.
5. If parents give permission for their child to ride with a student who drives on campus, this must be confirmed in the office, preferably in writing.
6. Students who drive to school may not give another student permission to drive their vehicle for any reason.
7. Students may not loiter around or sit in vehicles after parking them or during the school day.
8. There may not be alcohol, weapons, tobacco, drugs, or any other item deemed by the Principal to be offensive or dangerous in any vehicle that is parked on school campus.
9. If any of these rules are violated, students' privileges of driving on campus will be terminated.
10. BCS Administration reserves the right to perform spot checks at anytime on any student vehicle as deemed necessary.
11. No hanging out of windows or riding in back of trucks allowed.
12. No loud music in parking lots or around school area.
13. No vandalizing other vehicles such as wrapping, shoe polish, etc.

Articles brought from home to school

Lockers, cars, backpacks, and all items brought on campus are subject to search by the school administration. The teacher has the right to approve or disapprove items brought to school from home.

Toys should not be brought to school unless requested by the teacher for a school activity. No action figures, electronics, DVD's, DVD players, etc. are allowed at school or on fieldtrips. Electronic readers may be approved by the principal on an individual basis, and only to be used for reading. If at any time the reader becomes a distraction or is used in a way or during a time that has not been approved, the student will be asked to bring it home and not be allowed to bring it back.

Field Trips

In connection with their studies, field trip opportunities are available to students during the school day. These off-campus experiences are sources of enjoyment for the students, and are designed to motivate learning. Teachers must accompany the students as chaperones. Parental permission slips must be signed and returned to the teacher prior to the trip. Students on field trips must abide by all school policies while they are on the school-sponsored trips. Students who do not attend the field trip are marked absent. Students must ride to and from the trip in the manner designated by the teacher, and this transportation information must be provided to the Principal prior to the trip.

Parents may be invited by individual teachers to chaperone field trips. Siblings are not allowed to attend a field trip with a student/parent.

Student cell phones are not allowed on BCS field trips. Cameras are only allowed for field trips with the approval of the teacher/BCS administration. Student cell phones and iPods will not be allowed in place of a camera.

Emergency Information

School Closure

If inclement weather is imminent, or if students cannot safely be transported to (or remain in) school, schools may close. If Jeff Davis Parish School System closes due to weather or other area emergency, Bethel Christian School will close also. School closing announcements will be made over KATC (3), KPLC (7), KLFY (10), KAJN 102.9 FM, the BCS Eagles Facebook page, and a text message will be sent to all parents of BCS students who have provided a cell phone number and the carrier of their cell service (such as Verizon).

Emergency Drills

BCS has a plan in place for all emergencies that may arise. The students and staff are aware of the procedures of the plan and practice drills on a monthly basis. Drills are held for possible tornado, fire, intruder, and chemical spill. The administration is in close contact with the administration of parish schools in the area in case of an emergency situation that would affect all the students in the parish. In the event that an emergency situation occurs, we will send out a mass text informing you of the procedures taking place. A second text indicating an "all clear" will be issued informing you that all is okay.

Child Abuse Policy

According to state law, if a staff member suspects any form of child abuse, the proper officials will be notified. The officials to be notified are the local police or Sheriff's office for the parish in which the student resides. The person suspecting abuse will make a formal report. The report may be made to the school administration as well as to the proper authority. State Children's Code: 14430

Technology Policy

Students are allowed access to equipment under faculty supervision only. Any student using equipment (hardware or software) in any manner deemed inappropriate by the supervising teacher will have all access privileges revoked. Students may only use their own laptops and other devices under direct supervision and for school related purposes only. Any student may be asked by staff members to relinquish his device for using it in any manner deemed inappropriate.

Students wishing to access the internet for educational purposes must sign the BCS Student Acceptable Use Contract on the Consent Release form required for registration of a BCS student. No student will be allowed internet access without this signed form on file in the main school office. Students are expected to use all materials and resources appropriately. BCS computers are protected by a filtering system, which enables the administration to block sites that do not pertain to our educational goals.

The BCS School Board has adopted a policy that prohibits any inappropriate reference to BCS, including but not limited to, its name, logo, emails or any other information that identifies BCS. **This includes** pictures of students that may identify them in connection to our school. In addition, students, staff, and parents are not to use the internet, including any social networking sites, to complain or make negative comments about the school, its staff, employees, or anything that would place BCS in a negative light.

Any videos, also including internet videos, or DVD's brought to BCS with the intention of being viewed by students, must be pre-approved by the Principal/School Administration. Ratings of "G" or "PG" may be approved depending on content.

Penalties for infractions of the above policy are for students:

- 1st Offense: 3-day suspension
- 2nd Offense: Dismissal from BCS

The monitoring and enforcing of this policy will be handled by the BCS administration.

Cell Phone Policy

Students may not have a cell phone in class at any time. Students must turn in all cell phones to the BCS office secretary upon arriving on the BCS campus.

No student may use a cell phone on campus during school hours. This includes senior students who may be in school for only half a day. Students are considered dismissed at 3:05 in the five - day week schedule and at 3:45 in the four – day week schedule, may use their phone under the supervision of coaches, parents, teachers who are tutoring, and the aftercare teacher. Any student needing to use the phone before 3:05 may get permission to use the phone in the school office.

If a student is caught with a cell phone during school hours:

1st offense: The staff member who sees the student with the phone will take the cell phone and the phone will be given to the school facilitator or principal. The parent will be called to come to the school to get the phone. A minor mark slip will be issued.

2nd offense: The phone will be taken, the parent will be called to come get the phone and the student will receive a major mark slip. Additionally, a one-day suspension will be issued.

BCS will not investigate lost cell phones.

It is the school's right to review recent calls and/or text messages on a cell phone confiscated during a school day. Refusal to surrender the cell phone to the school official upon request will result in a one - day suspension. BCS administration reserves the right to conduct a check of any backpack, purse, clothing, pocket, etc., if they suspect that it contains a cell phone.

Dress Code

Adherence to dress code is the first and most tangible rule of the school to which an entering student must comply. Consistent and blatant non-compliance reveals an attitude of disrespect for authority. The distraction caused by non-compliance affects teachers, students, administrators and office staff. Please make a concerted effort to understand the following guidelines and ensure your child's compliance. **BCS Administration shall be the final interpreter of the dress code.**

- All hairstyles are to be of standard, conservative and acceptable style. All students must wear a natural hair color. Sculptured shaving of the hair is not allowed.

- Any male student may be instructed to comply with length requirements by any staff member at any time.

- For hair length violations, a note will be sent home. The student's parent will be called by BCS administration. The student will be required to be in compliance within 3 days of the note. For any subsequent violations, the parent will be contacted, a major mark slip issued, and the student must be in compliance by the next school day.

Students who are not in compliance will be sent home until the student's hair meets the BCS "Hair" policy.

Student Code of Conduct

Student Code of Conduct

Discipline Guidelines

Philosophy

Without discipline a teacher cannot teach. Without teaching, a student cannot be educated. Without the ability to educate the student, there is no need for a school. Discipline is extremely important. Parents have the primary responsibility for training and discipline of their children. This responsibility is delegated to the school while the child is at school. Close teamwork between the home and the school will produce the best results for the child. All parents are encouraged to be supportive of all school programs and should be careful not to make any negative comments about the school or any of its personnel. Negative comments and behavior concerning BCS undermines the spirit of unity of the school. Dissatisfied parents are encouraged to go through proper school channels within the system to address their situation. Refer to pg. 40-Complaint Procedures.

(Matthew 18 – principle for reconciling differences)

- **Christian standards of moral conduct are expected at all times.** All students are expected to act in an orderly manner, maintain Christian standards of courtesy, kindness, language, morality, and honesty. We must strive toward unquestionable character in dress, conduct, attitude and respect for authority.
- Students who maliciously destroy property (school's, teacher's, or other student's) will be dismissed from school until arrangements are made for restitution. Students must help keep property in good repair by never defacing it and report that which is damaged or lost.
- Students must strive to keep school grounds, playground, classrooms, hallways, restrooms, and lunch area clean.
- Shouting, loud talking, running, carrying knives, weapons, fireworks, lighters, matches, pornographic materials, fighting, and any other dangerous or disruptive behavior is not allowed.
- Arguing and Complaining is not tolerated. *Do all things without complaining and disputing.* (Philippians 2:14).
- In the classroom, the student is expected to sit at his assigned seat, keeping all chair legs on the floor. Student is to care for the desk, never sit on top of the desk, and clean up around his/her desk at the end of each school day.

Expectations

Students are expected to conduct themselves as responsible and respectful students. This includes showing respect toward all adults and fellow students. Each teacher is the authority in his/her classroom and will enforce violations of the code of conduct. All standards of behavior apply whether during the school day, attending an event at school, or a school sponsored event. The following code of conduct shall apply to all students at all times.

- There is to be no use of profane or abusive language.
- Cheating is prohibited.
- Students are to keep their hands to themselves at all times.
- No student shall either start or engage in fighting while at school. FIGHTING IS A SUSPENDABLE OFFENSE and assault charges may be filed.
- Students shall refrain from any form of disrespect; for example; mimicking or mocking teachers or students, laughing at mistakes of others, sassing teachers, facial or non-verbal expressions of disrespect (body language), disruption of class (writing personal notes or talking).
- No personal display of affection is allowed. This includes hugging, kissing, holding hands, and any other form of inappropriate touching.
- Students may not skip school or leave campus at any time.
- The use or possession of any article with the intent for use as a weapon is prohibited.
- Violent gestures and/or words are prohibited.

Anti –Bullying Policy

Biblical illustration of relationships: John 15:12-“My command is this: Love each other as I have loved you.”

Rationale

In an effort to instill Biblical values and create a more loving environment, our school has adopted this policy. From time to time, conflict can occur. Bethel Christian School realizes that while bullying may occur, it is never acceptable. We have zero tolerance for such conduct and consistent with this policy, a true violation will result in appropriate disciplinary action. We seek to implement a clear process for dealing with bullying incidents in order to protect our students and help the bully learn how to relate to others in a way that is in line with Biblical standards.

Definition

Bullying occurs when a person or group is intimidated, frightened, excluded or hurt by a pattern of behaviors directed at them by others. (Greg Griffiths, “Bullying in Schools-The Hidden Curriculum” (2003).

The following actions in an ongoing form may be forms of bullying and are included in all references to “bullying” herein:

- Physical aggression-including hitting, punching, kicking
- Teasing or verbal abuse that include insults, name calling,
- Racial slurs or sexual remarks
- Setting up of humiliating experiences
- Damaging someone’s property or possessions
- Taking a person’s property or possession without permission
- Threatening gestures, actions or words
- Written, verbal, or electronic messages that contain threats, putdowns, gossip or slandering
- Cyber bullying through Facebook, texting, tweeting, Instagram or other electronic means

Policy Statement

Students from the first through twelfth grades are subject to the “anti-bullying policy. From time to time conflict and offense can occur in a school. Bullying can result when we don’t always relate to others as we should or when people try to exert power and influence over others. Bethel Christian School realizes that while bullying may occur, it is never acceptable and we seek to implement a clear framework for dealing with bullying incidents. Our response to bullying is based on the principle that bullying is “not OK at BCS.” Bethel Christian School will not tolerate any mean-spirited, unlawful or disruptive behavior, including any form of bullying, cyber-bullying, or retaliation in our school buildings, on school grounds, in school-related activities, or that occurs outside of school and creates a hostile school environment for the targeted student. BCS will promptly investigate all reports and complaints of bullying, cyber-bullying, and retaliation, and take prompt action to restore a safe learning environment for students who are bullied and to prevent further bullying or harassment by students who are identified as perpetrators of bullying.

BCS recognizes that not all inappropriate behaviors should be considered bullying or willful violation of this policy. Behaviors will be assessed by the teacher and/or administrator and addressed according to the procedures below.

Procedures

- A Bullying/Cyber-Bullying Reporting Form will be available. Bethel Christian School will include a copy of the Incident Reporting Form in the beginning of the year packets for students and parents and will post a copy of the Incident Reporting Form on the school’s website.
- Investigations into bullying allegations are undertaken in a timely manner after the reporting of a bullying incident, and will be carried out in a way to minimize the risk of escalation.
- All parties will be spoken to: victim, bully and sufficient bystanders to establish the facts of the situation and to hold them accountable for their actions/inaction. Generally all parties will be asked to give a verified account of what has happened with a view to understanding the whole picture.
- Parents/caregivers of any student accused of bullying and the victim of the bullying will be informed of any bullying incidents, informed throughout the process and invited to be present in discussions. In some cases this may apply to parents/caregivers of bystanders.

- All incidents will be documented and written reports will be kept.
- All staff will be informed of the incident so they may be aware of any issues between students.
- All bullying incidents will be followed up in writing to parents/caregivers of the bully and victim.
- Bullying incidents will be followed up and students monitored to ensure the incident is resolved satisfactorily. The school will take serious disciplinary action in cases of retaliation.
- Discipline will follow.

Responsibilities

Students

Students should report bullying behavior and must ask the offending student to stop.

- Students being bullied must promptly report it to school staff, faculty, administration and their parents.
- Students aware of bullying must promptly report it to their teacher. It is the responsibility of all students (victims and witnesses) to report all occurrences of bullying behaviors as outlined in this policy, whether or not directed at them or others. Students who have knowledge of such behaviors are required to report this information and may do so without fear of consequences. The filing of a false or fabricated complaint of bullying, cyber-bullying, or retaliation is strictly prohibited and shall result in disciplinary action.
- Students must be willing to resolve bullying situations, employing forgiveness and some changes in behavior.
- Students will be provided practical, safe, private and age-appropriate ways to report and discuss an incident of bullying with a teacher or school Principal.
- Reports may be made anonymously, but no disciplinary action will be taken against an alleged aggressor solely on the basis of an anonymous report unless the school's investigation confirms the bullying behavior.

Parents, Guardians, and Others

- Bethel Christian School expects parents, guardians, caregivers and others who witness or become aware of an instance of bullying or retaliation involving a student to promptly report it to their child's teacher or the school Principal. Any individual who wishes to file such a complaint may request, and shall be provided with, assistance from a school staff member to complete a written report.

- The filing of a false or fabricated complaint of bullying, cyber-bullying, or retaliation is strictly prohibited and shall result in disciplinary action.
- Parents need to accept that the whole story may be quite complex and trust the school to resolve bullying matters.

Staff

- Non-teaching staff should refer all allegations of bullying to a teacher of the school or school administration.

Faculty

- Faculty members will promptly report to the school Principal any instances of bullying or retaliation witnessed by the faculty/staff member or that is reported to the faculty/staff member by a student, parent, or other individual. The requirement to notify the school Principal shall not, however, limit the authority of the faculty/staff member to respond to behavioral or disciplinary incidents consistent with school policies and procedures for behavior management and discipline.
- The BCS teaching staff will refer all allegations/incidences of bullying to the BCS administration. This will be done within one school day.

Reporting Bullying

It is the responsibility of all students, parents, faculty and staff members to report all occurrences of bullying behaviors as outlined in this policy. Parents and students who have knowledge of such behaviors are required to report this information and may do so without fear of consequences. Students who feel that they have been or are the victims of bullying behaviors should promptly notify a school staff, faculty, or administration. Parents or students who report such behaviors will not be the target of retaliation or reprisal. Any student who withholds information regarding bullying behavior or provides inaccurate or false information will be subject to disciplinary action including possible removal from school.

Prevention

A copy of the bullying policy will be made available to any interested party upon request.

Annual training for all school staff on the policy will include the staff duties under the policy, and an overview of the steps that the school Principal or designee will follow upon receipt of a report of bullying or retaliation.

The goal of professional development will be to establish a common understanding of tools necessary for staff to create a school climate that promotes safety, civil communication, and respect for differences. Professional development will build the skills of staff members to prevent, identify, and respond to bullying.

Bethel Christian School will implement age and grade appropriate training for each grade K-12 that includes:

- Empowering students to take action by knowing what to do when they witness other students engaged in acts of bullying or retaliation, including seeking adult assistance.

- Helping students understand cyber safety, including safe and appropriate use of electronic communication technologies.

Discipline

The goal of discipline is to prevent future incidents of bullying.

If the school Principal determines that disciplinary action is warranted, the disciplinary sanction will be determined on the basis of facts, including the nature of the conduct, the age of the student(s) involved, the severity and period of time during which such conduct has occurred, whether the student has previously engaged in such conduct, and the need to balance accountability with the teaching of appropriate behavior.

Students found to have engaged in bullying, cyber-bullying, or retaliation will be subject to disciplinary action that include but are not limited to:

(1) The first bullying infraction will result in:

- A meeting with the parents of the bully, victim, teacher(s), and BCS administration.
- The bully making a formal apology to the victim.
- The bully attending two counseling sessions.
- The bully receiving a one – day suspension and zeros on all tests, quizzes, and graded work.

(2) The second bullying infraction will result in:

- A meeting with the parents of the bully, victim, teacher(s), and BCS administration.
- The bully making a formal apology to the victim.
- Disciplinary action will be determined with the possibility of expulsion from BCS for the bully

(3) The third bullying infraction will result in:

- Expulsion from BCS

The BCS administration reserves the right to treat any single act as severe enough to warrant dismissal/expulsion from school. Consequences will only take effect after an incident has been thoroughly investigated and can be corroborated by the students involved, multiple sources or eyewitnesses.

The BCS administration reserves the right to alter discipline found in this policy in specific cases.

Off Campus Code of Conduct

We believe that students should maintain the same standards off campus as on campus. This includes all types of smoking (tobacco, cigarettes, chewing tobacco, vapor cigarettes, etc.), use of

illegal drugs, alcohol consumption, fighting, or inappropriate comments or pictures on social media sites such as Facebook, Twitter, Instagram, etc. A meeting with school administration and parents will be held to discuss the infraction and possible consequences that will take place.

Substance Abuse Policy

BCS has adopted a “ZERO Tolerance” substance abuse policy. Please note the following:

- The possession, use of, delivery, transfer, or sale of alcohol, tobacco products (such as cigarettes, vapor cigarettes, or chewing tobacco), or any controlled dangerous substance, any mood altering chemical, medications (over the counter or prescription), vitamins, or any substance designed to look like or represent such a drug, while on school premises or while under school supervision is expressly forbidden. Upon such a violation, criminal charges may be filed with appropriate law enforcement agency and student will be expelled from school.
- When the school administration has reasonable cause to believe that a student has manufactured, distributed, or possessed with intent to distribute alcohol, tobacco, any controlled dangerous substance, any mood-altering chemical, or any substance designed to look like or represent such a drug, parents and the proper law enforcement agency will be contacted immediately. Upon such a violation, criminal charges may be filed with appropriate law enforcement agency and student will be expelled from school.

Missing the Mark

“I press toward the mark for the prize of the high calling of God in Christ Jesus.” (Philippians 3:14) This verse reminds us that our goal is to hit the mark of the high calling of God. Occasionally, students will **miss the mark**. A ‘missing the mark’ slip is a disciplinary tool that is, handed out when a student fails to follow a rule.

The teacher issuing the minor mark slip, the student receiving the minor mark slip, and the student’s parent must sign the minor missing the mark slip. The principal or facilitator will also sign the slip, and administer further discipline if it is warranted. Each signed mark slip must be returned to the office within two (2) days from the day it was issued. These guidelines for mark slips are per nine weeks. A record of all slips will be maintained in a file in the office. Any student receiving three (3) minor mark slips during a nine-week period will not be eligible for Reward Day for that nine-week period.

If a student disagrees with the reason that a mark slip was given, that student may request a conference in a respectful manner with the teacher to discuss the mark slip. The teacher may agree to withdraw the slip, and in keeping with the principles of a Matthew 18, the teacher may bring the matter to the school’s administration.

Consequences for minor offenses on campus:

Minor infractions include (uniform violations and chewing gum.

1 st Mark Slip	Parents are called
2 nd Mark Slip	Parents are called
3 rd Mark Slip	Parents are called, One – day suspension

These consequences apply during a nine – week period.

Students serving a one – day suspension for a third minor mark slip will receive zero’s on all test and quizzes missed during their suspension.

The one – day suspension will be served the first school day following the receipt of the third minor mark slip.

Persistent or continuous infractions will result in a meeting between the parents and the administration. The students may be prohibited from participating in extra-curricular activities.

Consequences for major offenses on campus

Major Missing the Mark Slips are issued to students involved in the following activities:

- Cheating
- Stealing
- Lying
- Disrespect

- Inappropriate physical activity
- Destruction of property
- Abusive or profane language
- Fighting
- Being disruptive in the classroom

If a student receives a major mark slip, during any nine – week period, that student is NOT eligible to participate in Reward Day for that nine - week period.

1 st Offense	Major Mark Slip	Mandatory parent conference AND Attendance to One Tutoring /Enrichment Friday
2 nd Offense	Major Mark Slip	Mandatory parent conference AND One day suspension
3 rd Offense	Major Mark Slip	Mandatory Parent Conference AND Student may be expelled from BCS

A student will receive a zero on the test, quiz, or graded work in which the cheating occurred.
 A student will be expected to make full restitution for the items that were stolen.
 A student will be expected to make full restitution for any property damage.

Failure to make full restitution within one month of the offense may result in expulsion from BCS.

Consequences for infractions of the Zero Tolerance Policy

(Substance Abuse)

Upon violation of the Zero Tolerance Substance Abuse Policy, student’s parent will be notified, the student will be expelled from BCS and the proper law enforcement authority will be contacted.

Suspension – Out of School

- This method of discipline is only used for serious or major infractions of the rules. It may also be employed when other disciplinary measures have failed.
- Any student receiving this form of suspension may be required to meet with the principal and with his/her parents at the end of the suspension period, and prior to his/her return to school.
- It is the responsibility of the student to make arrangements to secure any work that was missed during the suspension, but zeros will be given for quizzes and tests missed.
- No student may participate in any extracurricular activity while on suspension.
- The suspended student is not allowed on Bethel campus until after the parent conference, if applicable.

- Any student with 3 suspensions in one school year will be automatically expelled from school, regardless of the reasons for the suspensions.

Corporal Punishment Policy and Procedures

Philosophy:

The scriptures are clear in that there are occasions when corporal punishment is an appropriate means of discipline. Proverbs 22:15, Proverbs 13:24, Proverbs 23:13-14, and Proverbs 29:15.

Guidelines for Punishable Offenses:

Disrespect	2 nd Offense – 2 swats by Administrator or parent OR one day suspension
Destroying Property	2 nd Offense – 2 swats by Administrator or parent OR one day suspension
Abusive / Profane Language	2 nd Offense – 2 swats by Administrator or parent OR one day suspension
Fighting	1 st Offense – 2 swats by Administrator or parent OR One day suspension

If the Administration believes that this is the most appropriate measure of discipline to be used, a parent will be called to discuss the use of corporal punishment. This will be the policy from Pre-K 4 through 12th grade. In the case that corporal punishment is not an option for your child, a one-day suspension will be assigned instead. The parent / principal will administer corporal punishment in the privacy of his/her office and always with a witness present. A written form will be placed in the student’s permanent file stating the date, infraction, if counseling was done, and the punishment administered.

A male staff member will administer corporal punishment to a male student and a female staff will administer corporal punishment to a female student. The school principal, assistant principal, facilitator, pastor, or designee will administer corporal punishment to the students.

The instrument used for corporal punishment will be a wooden paddle 18 ¼ “ long, 3 1/8” wide, and ½” thick and no holes are drilled in the paddling surface.

Maternity and Paternity Policy

In today’s culture, our Christian principles are often ridiculed and undermined. BCS is determined, however, to uphold and teach Christian values in an atmosphere of love. Having a sexual relationship before marriage is one of the areas that culture says does not matter, but the Bible says this is wrong. (1 Corinthians 6:18) Therefore, premarital sex is not an acceptable behavior for students at BCS. Should pregnancy occur, the following measures will be taken for any male and or female student involved:

- Every possible means will be taken to encourage counseling and health care.
- All counseling recommended by BCS will be directed toward respect for human life.
- The student will be encouraged to continue their education.
- After confirmation of the pregnancy, the student will not be allowed to continue to attend school at Bethel.

Special Events

High School Reward Day

Qualifications

There are 3 types of rewards for the 7th – 12th grade students:

- Academic – Qualified by earning banner roll or honor roll
- Conduct – Received no major mark slips AND 2 or less minor mark slips
- Perfect Attendance – Had perfect attendance for the current nine weeks period

If the student qualifies under any one of these areas, they may attend reward day activities and receive the designated reward for that nine-week period. If the student does not qualify in any category, they may not attend reward day activities or receive any rewards for that nine-week period.

Homecoming

Rules for participation:

The following policy has been adopted for the selection of BCS Homecoming Court. All Homecoming Court members are required to represent the student body by actively participating in all Homecoming events sponsored by the school.

7th – 12th grade students will vote for 2 freshmen maids, 2 sophomore maids, 2 junior maids and 3 senior maids. Students will also vote for one senior Homecoming Queen. If there is only one female student in the senior class, they will automatically be crowned queen if they fulfill all of the qualifications. If the only female senior does not fulfill the qualifications, then the vote for queen will include only the junior maids on the court. The winner will be announced during halftime ceremonies of the homecoming game.

In order to be eligible for selection, a female student must fulfill all of these qualifications:

- Must have a 2.0 GPA
 - Seniors based on 7 semesters
 - Juniors based on 5 semesters
 - Sophomores based on 3 semesters
 - Freshman based on – previous year's GPA
- Must have no more than 3 minor mark slips during the first 9-weeks of the school year.
- Must have no major mark slips during the first 9-weeks of the school year.
- Must have attended Bethel Christian School the previous year.

Escorts

The maids may choose their escorts for presentation at the pep rally. The male escorts must maintain the same criteria for selection as listed above for the maids.

Attire

Maids will wear an appropriate suit for presentation at half time of the homecoming basketball game. Suits must fit appropriately and be modest in length. The skirt may not have a slit that is past the knee. No cleavage or mid-drift may show. The dresses or suits for homecoming events must be approved by the school administration.

Escorts, for presentation at halftime of the basketball game, must wear dress slacks and a dress shirt. Jackets and ties are optional.

Homecoming Dinner & Event**Attire**

All girls attending the Homecoming Dinner and Event must dress modestly. Skirts must not be more than 2" above the knee. No strapless or spaghetti strap tops are allowed without a covering and no cleavage or mid drift may show.

Boys should dress appropriately as well with dress slacks and a dress shirt. Ties are optional.

If this policy is not followed, the student will be asked to leave and not return.

Having a dance or dancing will NOT be allowed during the homecoming events.

Any games or activities including the pep rally must be approved by the school administration.

Junior Senior Event

A trip is planned for the spring each year for the junior and senior students as an alternative to a Prom dance. A formal dinner is a part of this trip. All rules for behavior apply (see Student Code of Conduct). The Jr./Sr. class sponsors will assist in the planning of the trip. Chaperones for the trip will be from school/church staff. In the event that an adequate number of chaperones cannot be found among school/church staff, then parents may be invited. The class sponsors and school administration will make this decision.

Attire

Girls will wear a formal gown to the banquet (no two-piece gowns allowed). These are to be modest in style with no slits in skirts past the knee and no low-backed or backless gowns are allowed. No cleavage or mid-drift may show, nor can it be strapless. All dresses must be approved by the school administration prior to the event.

Boys may wear a tuxedo or dress pants and dress shirt. A jacket and tie are optional.

Students that do not follow this policy will be given the option to change into appropriate attire or remain at the hotel with a chaperone.

Project Graduation

Each year, after the graduation ceremony, an event is held for the students that provide enjoyment as well as a safe place for the students to celebrate. The event is planned by parents of current year seniors, and is sponsored by area businesses that support our efforts to keep our students safe on graduation night. This event is a Bethel Christian School event, and must be aligned with BCS standards regarding beliefs and behaviors. The event may be held on BCS campus, approved in advance by the BCS Administration, and must be chaperoned by BCS parents and staff members. If any graduation party or event is held off campus, and/or is not chaperoned by BCS staff, then the funds generated from area businesses may not be used to fund any part of this event.

Attire

Students' attire is casual, but must adhere to BCS standards in length and modesty. (See Dress Code)

Complaint Procedure

- Pray about it. Ask God to help you make your complaint in such a way that it will result in the betterment of BCS, as well as to be pleasing to the Lord.
- Express it promptly. Keeping it to yourself can cause hard feelings and friction, which could decrease our effectiveness as a Christian. Jesus says that we cannot properly worship or serve God if there is a disagreement between yourself and someone else. (Matthew 5:23-34).
- Tell it to the right person. Complaints against specific individuals should be expressed first to that individual in question, and then to the administration of the school, only if you cannot work it out between yourselves, or if you feel the administration should be made aware of a situation.
- Express it clearly. Make sure the person to whom you are expressing your complaint knows all of the details of the situation, and exactly what your concern is. Misunderstandings could lead to further problems.
- Do not broadcast it, or put your concerns on Facebook. Express your concerns only to the person who should hear it. Unnecessary worry, harm, and hard feelings could result when problems and dissatisfactions are expressed to persons other than those who are directly involved in the concern. An impression of disharmony is then presented, which could have been avoided.

If, in the event, any parent or family member fails to abide by the complaint procedures and chooses to continue to cause disharmony within the school, with faculty or administration, they may be asked to withdraw their student from the school.

Parent-Teacher Conferences

Any parent who wishes to have a conference with a teacher is welcome to do so. Please do not attempt to meet with a teacher during school hours (7:30 AM – 3:00 PM / 3:25PM). Call the school for an appointment and the school secretary will notify the teacher. The secretary or teacher will call to set up an appointment. Should a conference with the administrator or the administrator and teacher is desired, the same procedure should be followed. Please do not attempt to see an administrator without an appointment.

Teachers are not permitted to have conferences with parents during afternoon pick-up. Please send a note or call the school office to set up a conference with the teacher.

Student-Pastor Conferences

If a student would like to meet with a Bethel Church Pastor, they must first receive permission from their teacher along with a completed Hall Pass form. They are to go to the school office and inform the secretary of their request. The secretary will contact the church secretary or pastor to obtain permission to meet. Once permission is obtained, the secretary will send the student to the church to meet with the Pastor/Church staff. The Church employee will sign the Hall Pass indicating their arrival. After the meeting, the student will return to the school office and give the Hall Pass to the secretary where they will document the time of the student's return.

During the four – day school weeks, a **mandatory** remediation class is required for any student in first through twelfth grade with a 69 average in any subject.
